

SHRADDHA GANDHI

ABOUT ME :

I'm Shraddha. By profession, I work in the analytical world of the stock market, both as an analyst and a teacher. Outside of my career, I'm equally passionate about exploring the world in two different ways: I love the adventure of traveling to new destinations, and I find a different, creative joy in the art of cooking. I am someone who values both intellectual growth and the warmth of a good home.
